

Anhalt University of Applied Sciences

**STATUTE**

**as of May 29, 2019 as a supplement**

to the

new version of the

**PROGRAM AND EXAMINATION REGULATIONS**

**for obtaining the academic degree of**

**BACHELOR**

**for the degree program**

**ARCHITECTURE (6 SEMESTERS)**

**(AR)**

**as**

**program-specific regulations**

**as of May 30, 2018**

Within the context of further developing and expanding the internationalization of the Bachelor's degree program in Architecture and the degree-program cooperation with the Vietnamese-German University in Ho-Chi-Minh City the following supplementary articles have been added to the revised version of the program and examination regulations as specific degree program regulations from May 30, 2018 (*Amtliches Mitteilungsblatt der Hochschule Anhalt*, Official Bulletin of Anhalt University of Applied Sciences, No. 79/2018 dated September 6, 2018) for the Bachelor's degree program in Architecture (6 semesters).<sup>1</sup>

**TABLE OF CONTENTS**

§ 1. Admission requirements and starting the program

§ 2 Goals and structure of the program

§ 3 Standard period of study

§ 4 Program-specific types of instruction

§ 5 Registration and admission to the Bachelor's thesis

§ 6 Comes into effect

§ 1 Admission requirements and starting the program

- (1) Applicants must submit proof of proficiency in English with any one of the following tests:
- TOEFL: with at least a score of 88 internet based / or 605 paper based
  - CPE (Certificate of Proficiency in English): Grades A / B / C
  - CAE (Certificate of Advanced English): Grades A / B / C
  - IELTS (International English Language Testing System): with a minimum overall band score of 6.5
- (2) The program starts on the first day of the winter semester.
- (3) If additional study semesters are required, students are required to re-register at the Anhalt University of Applied Sciences with their program coordinator, who is responsible for maintaining a list for this purpose. There is no fee for re-registration. This no-fee list of students to be re-registered must be submitted to the Student Service Center by February 28 or August 31.
- (4) Studying at the Vietnamese-German-University is subject to fees.

§ 2 Goals and structure of the program

- (1) Students will obtain, within the framework of the degree-program cooperation, a Bachelor's degree from Anhalt University of Applied Sciences while studying exclusively at the Vietnamese-German University in Ho Chi Minh City in Vietnam.

(2) One credit point is equal to one credit point according to the European Credit Transfer System (ECTS). A credit is based on about 30 full academic working hours.

§ 3 Standard period of study

(1) A deviation from the course of the studies at the Anhalt University of Applied Sciences is that a semester at the Vietnamese-German University is 18 weeks. The study program is in accordance with the regulations of the Vietnamese-German University.

§ 4 Program-specific types of instruction

(1) Courses are taught in English.

§ 5 Registration and admission to the Bachelor's thesis

(1) After consulting with a program advisor, the topic of the Bachelor's thesis written in English must be assigned and supervised by the examiners appointed by the Department of Architecture, Facility Management and Geoinformation together with the Vietnamese-German University in Ho-Chi-Minh City. The topic of the thesis has to be officially recorded at the Examination Office of Anhalt University. At least one of the examiners must be a member of the departmental staff at the Anhalt University of Applied Sciences.

§ 6 Comes into effect

- (1) This supplementary statute is valid for all students enrolled in the degree program in Architecture within the framework of the degree-program cooperation with the Vietnamese-German University as of October 01, 2020.
- (2) These regulations will come into effect once the President of Anhalt University of Applied Sciences has approved them, which is the day after their official announcement.
- (3) They have been issued on the basis of a resolution made by the Department Executive Committee of the Department of Architecture, Facility Management and Geoinformation on May 29, 2019 and with the approval of the President of Anhalt University of Applied Sciences on MM DD 2019.
- (4) Published in *Ämtliches Mitteilungsblatt der Hochschule Anhalt* (Official Bulletin of Anhalt University of Applied Sciences) No. 81/2019.

Köthen, MM.DD.20XX

Prof.

President of Anhalt University  
of Applied Sciences
